THAT DRONE SHOW SOCIAL MEDIA REACH

The drone community was formed on social media and is where 90% of the drone community gets it's information from. That Drone Show offers a highly target audience with a laser focus on all things drone related.

ABOUT OUR EXPERIENCE

We created That Drone show to help people new to drones discover the exciting world that drones open up

We created International Drone Day. It was held in March of 2015 and over 40,000 people in 150 locations world wide took part to show that Drones are good!

We are in the midst of production on a drone documetary and a new drone based game show and event.

THAT DRONE CHALLENGE

WIN A DRONE OR GO HOME!

FIRST EVER DRONE BASED GAME SHOW

Hosted by Sarah and David Oneal of That Drone Show, the show takes place in front of a live audience

An expert pilot creates the drone challenge and explains to the audience the skills and tricks they are using to pass the challenge (this helps the audience with their drone skills)

Contestant tries to pass the challenge, they either pass or go home

OPPORTUNITIES FOR YOU

We created That Drone challenge to create a fun competitive environment that allows the participants to both show their drone skills, and also learn more about drones in the process

The show also is a showcase for a variety of drone products and is a showcase for the newest technology

The show promotes safety.
